

International Autumn School on Health Law & Bioethics

NEW TRENDS IN HEALTH SYSTEMS & PATIENTS' RIGHTS

Santander (Spain), November 17-18/21-22, 2016

The second edition of this specialized workshop provides an overview of different issues to enhance the preparation of health professionals. It is focused on both theoretical and practical aspects of health systems and health law exploring current legal and policy issues which impact on the rights and responsibilities of patients, health providers and government policy makers.

The workshop is addressed to participants from different approaches and backgrounds such as healthcare practitioners, policy makers, health lawyers, physicians, nurses, and others interested in health systems and patients' rights.

Seminar is free of charge for the workforce of the public health system of Cantabria. Fee waivers can be requested by other interested people.

Since the seminar will be developed in an interactive way, only a maximum number of 20 participants will be admitted to the workshop. Reading materials will be delivered and an university certificate will be awarded to participants. Further information can be provided at asesoriajuridicasanidadss@cantabria.es

Seminar will be celebrated in English language at Campus Las Llamas (Universidad Internacional Menéndez Pelayo, Avda. Los Castros s/n, Santander).
